Sub.: Evaluation of the Quality of Water Purifier Sample & Borewell Water Sample.

Dear Sir/Madam,

This is to inform you that the water samples were collected by our lab representative from the premises of your school. The samples has been tested as per the IS: 10500, 2012 Recent Standard for drinking water. The testing reports are enclosed herewith. The results obtained are within the permissible limits as prescribed by CPCB for drinking water.

The water sample is found to be fit for drinking purpose.

Thanking you,

With Regards,

Yours Sincerely,

AK Gflow
